It was a real dream day with perfect weather, breathtaking scenery, an exquisite brunch, a tasty cocktail followed by a gourmet meal, and as a bonus, on-course culinary tastings offered by 40 Westt, Bâton Rouge DDO, Bistro Pointe-Claire, La Diperie, the Montreal Airport Marriott In-Terminal Hotel, La Maison Verte and Molson. What more can you ask for!

“We are particularly grateful to our golf committee and its two co-chairs, David Cescon and Renée Yardley, for their dedication to the success of our tournament. Also, the continued support of our Sponsors and of our Annual Partners, not to mention the luck we had weather-wise, allowed us to raise funds that will be directly reinvested in health care for the West Island community,” said Heather Holmes, Managing Director of the Lakeshore General Hospital Foundation.
