

RECOGNIZING WORKPLACE EXCELLENCE

Stellar Certification is developed in Canada
for Canadian healthcare organizations.

SIX STANDARDS OF EXCELLENCE

Nursing Voice: The ability of nurses to influence care decisions and drive positive change.

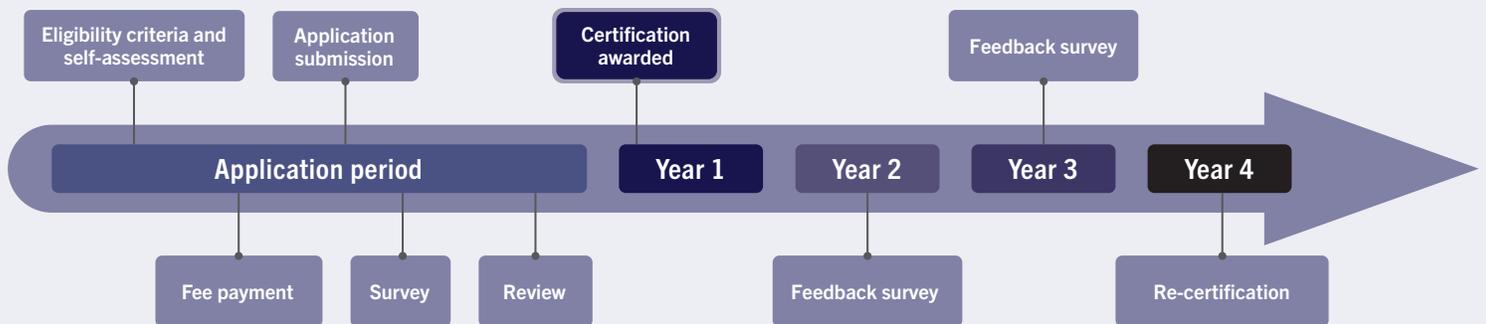

Leadership Excellence: Fostering empowerment, engagement, and skill development.

Education and Career Progression: Helping nurses gain new knowledge and skills.

Resourcing: Providing the best in evidence-based practice and professional development.

Practice Environment: Ensuring that nurses' workplaces are positive and safe.

Optimizing Care: Supporting nurses to deliver excellent, person-centered holistic care.
